Subject RE: Comments of R.Garcia/T.Graf to latest draft

I need to talk to FWS. In any event, my comments would be redacted from any document sent to record.

One other thought. I think it will be helpful to the litigation defense to have detailed FWS comments to the EA in the administrative record, so if you are comfortable with sending these comments to ENSR, that may be the better way to go.

Melissa and Gentlemen -- I am forwarding comments to the latest draft EA. Most of these comments are from FWS/Ron. I have highlighted my comments and/or responses to Ron's comments in bold. My comments are in addition to the general legal comments I discussed with you all on Monday.

Look forward to seeing the next and hopefully final draft.
